Sri Sri Ravi Shankar is a world-renowned peace leader, humanitarian and spiritual teacher who has captured the hearts and minds of millions around the world through his meditations, breathing techniques and wisdom. He is an icon of non-violence and seeks global peace through service and fostering human values.

At Sri Sri's **Meditation 2.0 - Go Deeper** UK events, he will guide the audience through one of his much-esteemed meditations, silencing the auditoriums as thousands experience it live. The events will also include Satsang (Sanskrit chanting) from the Art of Living repertoire and interactive sessions, where audience members will be given the opportunity to pose questions to Sri Sri and enjoy his profound and often humorous answers.

This event presents a unique opportunity to interact with Sri Sri Ravi Shankar, whom Forbes Magazine has identified as one of the top five most powerful figures in India and who has reached over 300 million people worldwide.
